

# COMMUNITY STORAGE

Emergency and crisis support for Maldon District

Make a referral online at [www.maldoncv.org.uk/community-storage](http://www.maldoncv.org.uk/community-storage)

The Maldon District Community Storage facility is a container sited in Maldon stocked with a range of household items that can be made available to provide an emergency response to residents of our district who find themselves in crisis.

People referred to the container for emergency support will also be contacted by a member of the team to discuss signposting to other support services and/or additional long term needs that might be able to be facilitated from the container budget.

To discuss how we can help before making a referral please call **01621 851997** or contact one of the project partners
