Children in Great Braxted celebrate opening of new playground following £85,000 redevelopment

Children in the village are celebrating following the official opening of a new all-weather playground.

The new playground was officially opened by Duncan Clark on Saturday 30 April 2022, when more than 150 people & Peppa Pig turned out to see the results of the project.

Residents may well remember the old playground which featured ageing pieces of play equipment, most suitable only for older children. The new playground now includes outdoor picnic areas and meeting space, together with inclusive, accessible play equipment for children of all ages and abilities, including: 2-Bay Junior Swing plus DDA accessible Nest swing, 2-Bay Toddler Swing, See Saw, Horse (DDA accessible) and Duck Springy's, Junior Play Unit, Toddler Play Tractor, DDA Roundabout and Sensory Hub. These are all set within new eco-safety surfacing, linkage pathways and 400m² of newly laid turf.

Richard Collins, Lead fundraiser for the project, said: *"The new playground is a fantastic resource which will benefit the area and local community by providing safe outdoor play for children. Our goal from the outset was to create a secure amenity that would benefit the village and provide access for children with learning and skills needs. The nearest park offering play inclusion and provision for abilities was previously six miles away on the far side of Maldon town centre, so this new playground will be giving time, fun, and exercise to local families, while reducing travel, encouraging exercise, and promoting good health, social interaction, and plenty of fun!"*

Year 2 Weaving

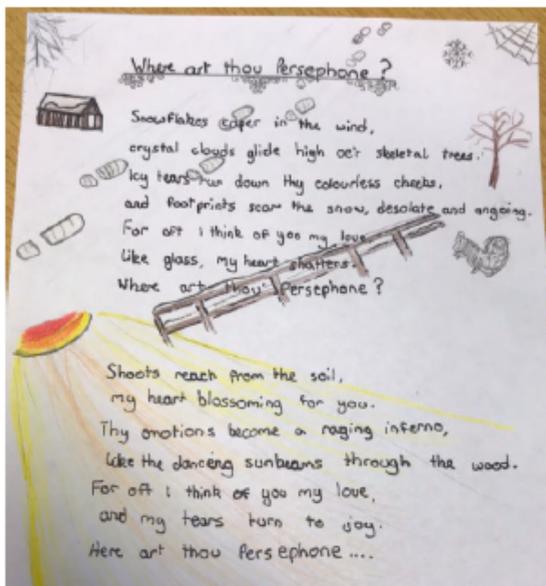

Year 2 have learnt how to weave. They designed a countryside scene and then chose different materials, thinking carefully about the different colours and textures, and wove them together to bring their designs to life. Extra details were added for the perfect finishing touch!

Year 6 Poetry

Inspired by their Ancient Greek topic, the children in year 6 explored figurative language and personification before writing their own poems.

They were challenged to create a poem to describe Demeter's joy that her daughter, Persephone, would once again return to Earth for 6 months when the season changed from winter to spring.

Year 4 Production "Splash"

"Splash" was a fun production for everyone in Year 4 to learn and perform. It was a play based on Noah's Ark, but with a difference as all the characters were animals!

The songs were playful and exciting to learn. All of the costumes were fabulous and some were even a bit crazy looking! There were lots of jokes and funny parts in the different scenes. We had a great time acting the play in front of our parents and we hope everyone enjoyed themselves. Written by Amelie and James

Maldon District Councillor News

Although it has been poorly publicized by officers of the council, I would like residents to know that the council offices are now open to the public from 10am to 4pm. This is if you have a general enquiry or need information about a service.

If you want to speak to a specific officer or department, you still need to make an appointment on 01621 854477 or via the website.

I am always keen to hear from residents about any customer experience they have with the council.

A National lottery grant has been allocated to assist the council in delivering the event. There will be a series of events during the afternoon. More information about the baton relay can be found at: <https://www.birmingham2022.com/queens-baton-relay/baton>

“Essex Book Festival comes to Essex libraries

Throughout the month of June, we will be hosting thirteen author events for the Essex Book Festival at our libraries. We're very excited to welcome a mixture of new and familiar authors, such as Lindsey Davis, Julia Jones and Samuel Fisher.

We are also bringing back our ever-popular Essex Authors Day. This is a great opportunity for aspiring and established writers to learn, improve their skills, share knowledge and experiences - and discover something new! Pick up writing tips and inspiration from a wide range of workshops led by experienced authors, editors and publishers; join in with or listen to our popular Writers' Slam or wander the Book Fair for networking opportunities. Entry to the event, Book Fair and Writers' Slam is free. Microphone slots at the Writers' Slam and workshop places must be booked in advance. There's no charge to participate in the Writers' Slam but tickets for the workshops cost £6 per person.

As well as events for adults, this year we have an amazing programme of events for our Family Fun Day on Saturday 18 June.

For more information and to book, please visit the Essex Book Festival website.”

Introducing the Anne Robson Helpline - if you or someone close to you is dying, you can talk to us.

At the Anne Robson Trust we aim to be there to listen to anyone who faces dying or the imminent death of someone they care about. We know that facing the end of life can leave you feeling isolated and alone.

Being able to access support is so important. Gaining knowledge of what may happen towards the end of life and being prepared helps both the person dying and their loved ones to feel a sense of control.

Calls are free and confidential. **Call us on 0808 801 0688 - we have time to talk**
