

Neighbourhood Coronavirus Support Network (NCSN)

If you are self isolating, we can help!

Hello! Did you know you have some pretty amazing neighbours? On 14 March 2020 I posted to the “Nextdoor” App asking if anybody in Great Totham and surrounding villages wanted to form a support group for those in our community needing help to navigate the impact that COVID-19 is having on them. The response was overwhelming, and NCSN was born.

Your amazing neighbour(s): _____

Living locally at: _____

Contactable on: _____

Or you can contact me, Lisa, on 07791 397160 and I will put an NCSN Helper in touch with you.

We can:

- Pick up shopping
- Pick up prescriptions
- Post some mail
- Get urgent supplies
- Make a friendly phone call

***Get in touch and let us
know what you need.***

Coronavirus is highly contagious and we must all observe all Government guidelines to avoid spreading infection. We will avoid physical contact when supporting you.
